

Situated on the Arcachon Basin, on an surface area of 80.000 m², there are only 450 camping places, making them very spacious. A family campsite that benefits from the invigorating but also relaxing sea air brought in by the tides. It is a paradise for children, and a haven of peace for parents.

The campsite has 4 distinct areas.

"Chênaie" for those wanting peace and quiet with siestas in the shade of century old trees. Sector F, H, E, D (quiet)

"Pinède" situated close to the swimming pools, a harmonious combination of shade and sunshine, where you are also allowed to idle your time away. Sector B (animate/quiet)

"Plage", where the sun god rules, except by the sea where the shade of the tamarisk trees offer some respite, peace and quiet and sunshine are guaranteed. Sector G (quiet)

"Entrée", oaks and pines, activities during the day and shows at night, the ideal place, if you wish for a lively holiday. Sector A (animate) C (quiet)

Here are some of the activities available at the campsite.
